GENERATIONS OF ENJOYMENT

The comfortable and casual heritage of the Ocean Rogue Inn dates back to the 1920's. Owned and operated by John and Kathi Nelson, they are carrying this family tradition into the future by continuing to make the Ocean Rogue Inn a refreshing and relaxing oceanfront experience for all their guests.

STEP RIGHT ONTO THE BEACH

It is hard to tell where our backyard ends and the beach begins. You'll find picnic tables, barbecues, a play structure – and plenty of sand for the kids to play in just outside your oceanfront accommodations. At night, you can gather around the fire pit and spin a tale while roasting marshmallows or building S'mores. Adventures await you at the Ocean Rogue Inn!
